LOTS FOR SALE AT THE HOT SPRINGS OF NEW MEXICO.

The completion of the Atchison Topeka & Santa Fe Railroad to Las Vegas and the Hot Springs and the fact that they, the greatest corporation of the age, have recently become the owners of these Springs, their policy being to spend no money to make the ground attractive, and to furnish ample Hotel and Bath accommodations to meet the demands of their patrons.

Remarkable Springs

although until within a few years comparatively unknown to the outside world, have a local reputation which antedates the present century and from time immemorial have been reported to as the "Great Springs" by the natives of this Territory.

Cured of the Diseases of the Blood

Skin, stomach, paralysis, gout, rheumatism, gravel, Catarrh, and female complaints by bathing and drinking the water. People visiting the Hot Springs of New Mexico have been cured of all of the above diseases, and even more. It is the invalid's paradise. The great sanatorium of the world for lung diseases. The atmosphere is clear and dry, and pulmonary and miscellaneous complaints are scarcely known.
